GOINGS ON ABOUT TOWN

Hats off to Rotarian Norman Frede who has made a splendid contribution to the Space Center Club in the cash amount of \$82.84. Norman purchased one pig and two sheep at the recent Houston Stock Show and asked that the net proceeds from their sale be sent to our Club. A check just arrived in this net amount and certainly it will find its way to one of our charitable projects. Thanks to Norman for his wonderful thoughtfulness and generosity Sufficient raffle tickets have been sold to allow the dinner and drawing of prizes to be held on the evening of Tuesday, May 4 at the Sheraton King's Inn. However, without more tickets being sold the Club will not benefit since the money from the tickets sold will only be enough to pay for the two automobiles and the dinners for those ticket holders planning to come. We urgently need to dispose of about 20 more tickets and time is running short - contact Gene Lindquist, Harry Smith or Harry Jennings and get your ticket today!!!!!!
