## DEMONTROND RESIGNS . . . . .

President-Elect, George DeMontrond of Houston is recovering nicely from emergency surgery. Because of this emergency and being unable to attend the Lake Placid meetings this week, George resigned as President-Elect in favor of President-Designate, Ernest Upham of West Columbia who was scheduled to be our Governor for 1972-73. So they will switch places as approved at the Galveston Conference on April 16-17 and George will become our Governor in 1972-73 and Ernest will become our Governor this coming fiscal year replacing Gov. Erwin Heinen. Best wishes to all concerned.
