### PROGRAMS:

MONDAY, SEPTEMBER 7TH....HOLIDAY. LABOR DAY. Visit one of our neighboring clubs this week and tell them about our SHRIMPOREE.

MONDAY, SEPTEMBER 14TH...DR. GEORGE GLASS, Houston psychologist, will discuss the many problems of stress, how it can be controlled, and some of its ramifications. Don't miss being on hand for this exceptional program.

MONDAY, SEPTEMBER 21ST....RUSSELL SIMON, developer of the new Nassau Bay Hilton Hotel will be our featured speaker. Come and hear the plans for the newest development on Clear Lake.

MONDAY, SEPTEMBER 28TH....Our own club member, ROY PEZOLDT of the Friendswood Development Corporation, will bring us a message of interest to every citizen in our area. So be on hand to hear ROY discuss the future plans of Friendswood Development.

MONDAY, OCTOBER 5TH.....LOUIS MACY, Candidate for Mayor, City of Houston will be our featured speaker.

PAUL HARRIS FELLOW NAMED...On Monday, August 24th, the Space Center Rotary Club named its 13th PAUL HARRIS FELLOW: H. DON KIRK. The Paul Harris Fellow award honors a Rotarian for outstanding service to his club and community. Don exemplifies this by his dedication and service to the Clear Lake area. He was born and attended school in Grand Saline, Texas. Don graduated from the University of Texas in 1949 with a degree in business. Since that time he has lived in the Houston and Clear Lake area while employed in the banking business. Don has been a member of the Space Center Rotary Club since 1964 and has always taken an active part in the activities of the Club. He has held the positions of Director, Treasurer, Vice-President and President as well as serving on the Auction Committee for the Shrimporee. His community involvements include director and president of the Clear Lake Chamber of Commerce, Friends of Freeman Library, and King of Lunar Rendevous. When Don isn't busy at work or in community activities, he can usually be found on the golf course as he is an avid golfer and hunter. Congratulations Don on this high honor in ROTARY.

### AN ADDED QUESTION IS...WHO ARE THE OTHER PAUL HARRIS HONOREES?

**QUICKIES**....If someone offers you a good deal, see your lawyer. If he agrees, see another lawyer....Some people think by the inch, talk by the yard and you have to remove them by the feet....No one is too old to learn. Trouble is that too many people keep putting it off..... What melts in the mouth bulges in the mirror... What goes up must come down-that is, except postage....To put your best foot forward, shine the shoe.

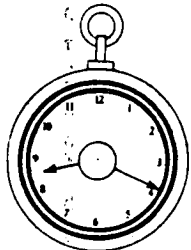

**PAST PROGRAMS**....on August 17th, FRANK MORGAN introduced MARGARET McANDREW and DAVID HENRY, ROTARY FOUNDATION SCHOLARS. They each presented a short talk illustrated with slides of their experiences while attending the University of Salsburg and the University of Glasgow. The travels, studies, and friendships that these two scholars experienced really exemplify the values of the ROTARY FOUNDATION SCHOLARSHIP PROGRAM and behooves each of us to continue to support this excellent program of world understanding....then on August 24th, GENE LINDQUIST introduced KATHY WHITMIRE, City Comptroller of the City of Houston and currently a candidate for Mayor of the City of Houston. Ms. Whitmire presented the present problems of the city and how she thought these problems could be resolved. She felt that the City of Houston has an obligation to provide its citizens with the essential city services for which they are paying taxes but that inefficiency in all levels of administration have kept the city from providing these services in an efficient, effective manner. Ms. Whitmire also stated that the annexation of Clear Lake City was a mistake and that it has hurt the City of Houston more than it has helped. She concluded her remarks by stating that her campaign for Mayor will be based on a better utilization of city revenues in proving city services and increasing the strength of the City's police department. We hope that you read what Ms. Whitmire had to say in the excellent article by GREG GINN, staff writer for the CITIZEN.

**MEET OUR NEWEST ROTARIAN**....TERRY WAYNE HESSON, sponsored by A. B. Olsen, was born in Nashville, Tenn. He attended the University of Texas and the University of Houston, and holds the degree of Doctor of Jurisprudence. He is a member of the Manley, Hesson and Kuhlmann Law Firm, 2416-C Bay Area Blvd, Houston, 77058, Ph. 488-6721. Terry and his lovely wife, JAYME, and their four year old son, LINDSEY, live at 919 Timber Cove Drive, Seabrook, 77586, Ph. 334-3969. Terry's club classification is "Attorney-Corporate Law". Welcome to the club, Terry.

**ROTARY ANNS**

REMEMBER, the LADIES EARLY BIRD BREAKFAST meets the third Tuesday of each month at 7 a.m. at the Sheraton Kings Inn. The group continues to grow at each meeting so come and enjoy the food and fellowship with this fine group.

TAKE TIME TO SERVE

Every Rotarian is expected to be a member of at least one committee within his club.

**WIDE WORLD OF ROTARY**

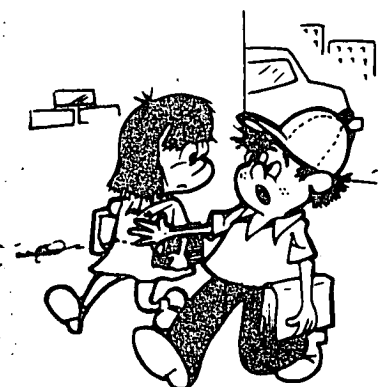

If a Rotarian were to travel the 156 lands of Rotary, visiting a different Rotary club each day, it would take him 53 years!--and there would remain yet to be visited the thousands of clubs established in the meantime.

The AGGIE read the surgeon general's report which said studies proved tar and nicotine cause cancer in mice, so he put his cigarettes up high on a shelf where the mice couldn't get to them.

An AGGIE engineering student got on an elevator with a number of other passengers. As the elevator moved upward he stared at the small fan slowly turning in the elevator ceiling. "Gee", exclaimed the AGGIE, "It's a darn small fan just to be lifting all of us like this!"

**VISITING ROTARIANS FROM FAR AWAY**....CLARENCE CAPERS from the Rotary Club of Waynesboro, Pennsylvania, GORDON JACOBSON from the Portland Oregon Rotary Club, and JUAN MORALES from the Bronx Club, New York, N.Y. all visited the Space Center Club on the 17th of August. Their visit helps make our day's happy ones...hurry back, y'all.

**NEWS FROM OTHER CLUBS**....The Rotary Boys Club has just returned from its first session at the recently completed 'Camp Mahan.' 50 boys and 12 staff members attended the camps thanks to the generous donations from various Rotary Clubs in the District. The youngsters enjoyed canoeing, hiking, fishing, volleyball, horseshoes, washers, campfire programs, and much more. Camp Chairman Harold Goldstein, of the River Oaks Rotary Club, says "This is just the beginning of a camping program geared towards boys who would not have a chance to enjoy the camping experience if not for the Boys Club."
