QUICKIES...A genius is someone who can rewrap a new shirt and have any pins left over... Before television no one ever knew what a headache looked like...There are some folks much like the rooster that thought the sun rose just to hear him crow...What this country really needs is a Medfly that attacks crabgrass...The best advice on how to save face is to remember to keep the lower half closed...It is said that playing golf is like paying taxes-you drive hard to get to the green and then wind up in the hole... Nearly every man is a firm believer in heredity until his son makes a fool of himself...People, like boats toot the loudest when they are in a fog...Not only is it more blessed to give than to receive-it is also deductible.

CONGRATULATIONS TO ROLLIN and ROBYN GARDNER, FOR BRINGING FORTH A NEW SON BY THE NAME OF NICHOLAS JAY on Saturday, Sept. 26th, at the Clear Lake Hospital in Webster. Robyn and baby are doing just fine, but Rollin hasn't come off cloud 9 as yet so we ain't too sure just how well he is doing! Again, the Club's best wishes to Mom, Dad and Baby Gardner!

THANKS to former District 589 Governor, ERWIN HEINEN, for his contribution to our Bulletin expense - renewing his subscription for two more years! Guv-Heinen has been a subscriber to the BLASTOFF for the past 7-8 years. He also sent along a check for two SHRIMPOREE tickets, saying he wouldn't miss this annual event for anything like it in this part of Texas. Thanks Guv!

"FIRST LOSERS IN SCOOTERS HANDICAP...  
DAVID ROSS lost \$5.00 by not being present at the September 27th meeting...CAP LANDOLT lost \$10.00 by scooting early on the 5th of October. Tough luck...Kitty goes to \$15.00 for the next meeting. You have to be there to win.

THERE ARE NO 'FOREIGNERS' IN ROTARY

"Before Rotary came into our lives, each of us may have regarded the fellow from another country as a foreigner. But there are no foreigners in Rotary--indeed the word 'foreigner' is the most foreign word in the language of Rotary. As we meet together in our gatherings, we come more and more to see and to understand and to know that at heart humanity is one, and that differences of race and creed and color are but surface marks while the hearts of all throb to the same impulses." -- Angus S. Mitchell, President, Rotary International, 1948-49
