HAVE YOU DONE YOUR SHARE!!

With only a few days left until the SHRIMPOREE have you done your share to make this a very successful event? Have you invited your friends to be at Galveston County Park on Saturday, October 24, 1981 to eat shrimp and bid on the many auction items? Did you offer them the chance to save \$1.00 by buying their tickets in advance? Don't waste another minute-get those tickets sold. Very few people will turn down the chance to support this Rotary event - they just need to be asked is all. Carry those tickets in your pocket and ask everybody you meet to come and join in the fellowship and good eating and taking part in another great SHRIMPOREE. If you haven't picked up your auction items and turned them in, do so today so the Auction Committee can prepare their auction lists. The SUCCESS of the 8TH ANNUAL SHRIMPOREE depends upon each of us.

QUICKIES....Automobile accidents simply prove no
car is fool proof....Free advice is the kind that
costs you nothing unless you act upon it....The
person who toots his own horn has everyone running
to keep out of his way....First you have to teach a
child to talk, then you have to teach it to be quiet.
If silence is golden, not many people can be arrested
for hoarding....It may be that one reason a dog is
man's best friend is that his tail wags and not his
tongue....Economist now say we move in cycles in-
stead of running around in circles. It sounds better
but it means the same..

Living dangerously has been defined as having
the living room sofa reupholstered while the
children are still under 12.

It took almost 200 years, but the Supreme
Court finally has a justice who really knows
how to wear a gown. BBJ, Kalona, Iowa.

One of our Rotarians was overheard to say, "I'm
just one of those inbetween citizens who is at
the wrong age and position in life: Too young
for Social Security and Medicare, too prosperous
for welfare, too urban for crop subsidies, and
too American to receive foreign aid."

Know what they call an AGGIE who sits in a
tree with a bunch of monkeys?....A Branch
Manager!

Comment from a frustrated football coach after
watching his inept team work out the last time
prior to the opening game: "I wouldn't even let
my mother-in-law run behind that line!"

An AGGIE thinks "vice versa" means dirty
poems.
