YAHOOOOOOOOOOOOOOOO

IT'S ALL OVER!!

YES, IT'S ALL OVER!!!! All but the shouting and the net results. The hard work is now behind us, but there is much more to be done before we really know how successful the 8th Annual SHRIMPOREE really was. There is ticket monies still to be turned in...there are unpaid bills to be handled. there is still a lot of leg work for many before the final accounting of the SHRIMPOREE is completed. So bring in your money from ticket sales and if you have any unpaid bills get them in also. Let's give General Chairman FRANK MORGAN and his able assistant JACK EGGLESTON a big hand for the outstanding job they did with this year's SHRIMPOREE.

HAPPY BIRTHDAY

JERRY JUSKOWICH Nov. 15
CHARLES SCHUHMACHER 20
PAUL McDONALD 22

CONGRATULATIONS GENTLEMEN....

QUICKIES....Too much attention to the pigskin doesn't help the sheepskin....No matter what happens, there is always someone who knew it would....It now costs more to amuse a child than it once did to educate his father....A man will sit in a boat all day without catching a fish and then complain if his wife is ten minutes late with dinner....If you wish to have a short winter, have your bank note come due in the spring.

SPECIAL NOTICE....Due to the increasing costs of mailing the BLASTOFF to each member, the BOARD at its last meeting approved a change in handling the newsletter. Starting, Monday, November 9th, a COPY OF THE BLASTOFF will be placed at each plate. Members who are absent at the meeting will receive their BLASTOFF in the mail a few days later. So remember to pick up a copy at the meeting as you will not receive a copy thru the mail unless you miss the meeting when it is distributed.

PAST PROGRAMS....On October 19th, ALFRED NEUMANN introduced ROY PEZOLDT of the Friendswood Development Corporation who presented an excellent program on the growth and development of the Clear Lake area and the projected plans of the Friendswood Development Corp. for the continued growth of the Clear Lake area. ROY stated that continued growth will depend upon the approval of the proposed bond issue by the Clear Lake Water Authority as the Authority has to have additional monies to expand the water and sewer lines before any further development can take place..... Then on October 26th, ALFRED introduced MAYOR JIM McCONN who reemphasized his stand on the de-annexation of Clear Lake. He then defended his record as mayor against the attacks of his opponents and further stated that Houston will continue to grow and expand as it is a dynamic city with good leadership. Hope you read the excellent article by LINDA KIRKPATRICK of the CITIZEN. On November 2, JACK FRYDAY, gave an excellent talk on the Crime Stoppers program, its philosophy, how it works, where the rewards come from, how they are paid, and the success of the total program. He asked that the Club continue to support Crime Stoppers as it endeavors to get under way in the Clear Lake area. An outstanding program about the prime SHRIMPOREE BENEFICIARY.

YOUR SPECIAL JOB IN ROTARY...What job are you performing this year in our club? We cannot all be president, secretary, or committee chairmen. But one task each of us can assume is sponsoring a new member. Among the most important jobs we can accomplish is sharing Rotary with another qualified man. Have you started to consider who you will sponsor for the SPACE CENTER ROTARY CLUB this year? Think about it.

Two spinsters were discussing men. "Which would you desire most in a husband," asked one, "brains, wealth or appearance?"
"Appearance," snapped the other, "and the sooner the better."

A fellow is smarter than most of us if he can tell how much of what he knows is ignorance and how much is wisdom.

"What steps," a question in a college exam read, "would you take in determining the height of a building, using an aneroid barometer?"
One student, short on knowledge, but long on ingenuity, replied: "I would lower the barometer on a string and measure the string."

Many a man has lost a job not because they had a reason to fire him, but because they didn't have any reason for keeping him.
