The Meaning of Club Service

Club Service means those things that we do to help our club function successfully. These include being present at all meetings and participating in their fellowship, taking part in our programs, and serving on committees. We also help our club by participating in such outside activities as: informing non-Rotarians about R.I., speaking at other Rotary clubs, attending inter-city meetings and district assemblies, and representing our club in organizing a new Rotary club.

Rotary's Noble Cause--Pope John Paul II

"To work for humanity, to serve men and women everywhere, is a splendid aim, especially when the motivation is love."

"You can't build a reputation on what you're going to do." -- Henry Ford

On The Rotary Foundation

"A careful and true appraisal of Rotary's past achievements has earned for us the... respect of all people and nations...No greater duty befalls us now than to make our structure a permanent and enduring one. For this purpose we have established The Rotary Foundation."

--Past R.I. President Arch C. Klumph, who founded the Foundation in 1917

HAPPY BIRTHDAY

DALE CLOTIAUX NOV. 5TH
CECIL PALMER " 5TH
JERRY JUSKOWICH " 15TH

Congratulations, gentlemen, and we wish you many, many more.....

QUIPS....In the old days a man who saved money was a miser; nowadays he's a wonder....The best thing about a popular song is that it is not popular very long....Nagging is the constant repetition of an unpleasant truth....It is better to breathe through the nose. Besides it keeps the mouth shut....

HEAR! HEAR! HEAR! Three Cheers and Congratulations to BEV and BETTY STEADMAN. Their grandson, LYON STEADMAN and his wife, PAM produced a Great Grandson for BETTY and BEV on October 3rd at Midland, Texas and named him RICHARD LYON STEADMAN. This raises a question or two...Is BEV the first member of our club who can make the "GREAT GRANDFATHER" claim? Is BEV really that OLD? Well, if there is another member wishing to make such a claim (by first or only marriage), please let him come forward and tell about it. CALL THE EDITOR. A quick survey by phone to other possible claimants was made before these cheers went up. No one seemed anxious to make any such claims, though some expressed hopes down the road. For ALL we do hope! Our best wishes to the new mother and father, their child, its grandparents and its great grandparents....was fun making the grade, eh, BEV?

VISITING ROTARIANS FROM FAR-AWAY....On October 18th ROY JEWETT from the Santa Paula Rotary Club, Santa Paula, California...and also BILL LLOYD from the Port Clinton, Ohio Rotary Club. Then on October 25th, ROBERT L. JONES from the North West Austin Rotary Club, Austin, Texas. Was good having these three fine Rotarians with us and trust first visit will be repeated many times.

6. It's a good idea.
7. Everyone likes the idea.

10. It will pay for itself.

ROTARY FOUNDATION COMMITTEE....From 14-20 November, the World of Rotary observes the Rotary Foundation Week. During this week and throughout the year, we are encouraged to support the Foundation in whatever ways we can. How? Let's join every Rotary club in R.I.'s global focus on the Foundation's activities by promoting its programs, all of which are dedicated to furthering good will and understanding among people of different nations. We can:

- designate a Paul Harris Fellow.
- sponsor a Group Study Exchange team.
- contribute to the Foundation's scholarship program.
- become a "Friend" of the Foundation.

Getting involved in the Foundation is an exciting way to build bridges of friendship. In his official message to promote the Rotary Foundation Week, President Mukasa notes: "Only when these bridges have been built will the 'Oneness of Mankind' become a reality."

SCOOTER'S HANDICAP. On October 18th HUGH AVERY failed to win as he forgot his Rotary pin, however, GENE LINDQUIST had everything in order as he won \$10.00 on October 25th.
