A WAY TO A HAPPY NEW YEAR

To leave the old with a burst of song,
To recall the right and forgive the wrong;
To forget the thing that binds you fast
To the vain regrets of the year that's past;
To have the strength to let go your hold
Of the not worth while of the days grown old,
To dare go forth with a purpose true,
To the unknown task of the year that's new;
To help your brother along the road
To do his work and lift his load;
To add your gift to the world's good cheer,
Is to have and to give a Happy New Year.

"The Scandal Sheet"

A YEAR TO REMEMBER.....

In 1910, the National Association of Rotary Clubs formed and held its first Convention in Chicago, Illinois. Paul P. Harris became Rotary's first president and Chesley R. Perry was elected as the first secretary. The Objects of Rotary were formulated at this milestone Convention. That year, there were 16 clubs with an estimated membership of 1,500. And the first Rotary club outside the United States was formed in Winnipeg, Manitoba, Canada (admitted to Rotary International in 1911-12).

DID YOU KNOW?.....The Rotary Foundation will support 1250 Rotary Scholars in the 1982-83 year, (618 men and 632 women) studying in 65 different countries. This program, together with all other Foundation grants, will amount to an expenditure this year of \$18.6 million.

Were it not for the kicks it gets.
