JIM McNATT'S wife, MARILEE, has been in the hospital - we all wish her a "Get well Quickly, JIM... Our program on the 23rd was a combination of BEAUTY and the BRAIN, as the first part was a recognition of the State 5A Champion, undefeated (36-0), Clear Lake High School Volleyball Team, some of whose members were our guests, along with their Coach. The second half of the program was presented by AL JOWID, who was recently the guest of the City and Rotary Club of Chiclayo, Peru, as a representative of NASA who could also speak Arabic. It seems that their Club has Arab members who speak Spanish, but no English speaking members at all. AL gave speeches and presentations and generally represented the Club and our Country in an exemplary manner...

VISITING ROTARIANS FROM FAR AWAY... On January 23rd, MARC KOHLER, from the Rotary Club of Brest, France and WOLFGANG HERZHOFF from the Rotary Club of Alena-Wernohl-Plettenberg, West Germany were both our guests. It is wonderful to have Rotarians from foreign countries visit with us and we hope that these two fine gentlemen return for another visit in the future. GL

HAVE YOU HEARD THE AGGIE JOKE about the city-bred AGGIE who decided to get out in the country and do some farming. He decided to raise horses for the necessary plowing he'd have to do, so he asked a neighboring farmer if he had any "horse eggs" for sale. The farmer recognized him as an AGGIE and said he didn't have any "eggs" for sale but that another farmer friend of his might have some. The Aggie went to the second farmer and made the same inquiry. Again no "horse eggs." The second farmer told him to come back the next day because he thought he'd have some. In the meantime, the farmer painted two watermelons brown and sold them to the Aggie the next day for \$50.00 each. The Aggie took one under each arm and started home on foot. While crossing a Ravine Bridge he accidentally dropped one of the "eggs." When it hit the ground a jack rabbit jumped out of the ravine and took off. The Aggie said to himself. "Well, it was a good egg all right, but when that horse grows up it would have been too fast to hitch up to a plow, anyway."

If you think you are beaten,  
 You are  
 If you think you dare not,  
 You don't.  
 If you like to win, but think you can't  
 It's almost a cinch you won't.  
 If you think you'll lose, you're lost,  
 For out in the world we find  
 Success begins with a fellows will -  
 It's all in the state of mind.  
 Life's battles don't always go  
 To the stronger or faster man,  
 But soon or late the man who wins  
 Is the one who thinks he can.

JOKES, JOKES, JOKES...Said an anxious wife to a visiting neighbor, as she watched her husband fishing in a bucket of water in the middle of the living room, "I'd take him to a psychiatrist or have him committed, but we really do need the fish."...A fear-stricken cave woman called to her husband, who had shinnied up a big tree, "A big saber-toothed tiger just ran into our cave where my mother is!!" Replied her husband, "I don't care what happens to the tiger!"...An Indian squaw was explaining the facts of life to her little daughter. "Stork no always bring papoose. Sometimes papoose come by beau and error."...

An Answer to the Purpose of Rotary

Q: "Is there one statement that can be used in all appropriate ways to explain the purpose of Rotary?"

A: "Yes: 'Rotary is an organization of business and professional men united worldwide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.'"

QUIPS...When a man is climbing the ladder of success, he should stop ever so often to thank those holding the ladder for him. (Scand 1 Sheet)...Anyone in a rut can't make much speed because the rut is too crowded!... People who aim to please don't have to take time out for target practice...The human body is 76% water, and it's an excellent idea to keep it that way while driving a car...Our great National passtime known as baseball, is even spoken of in the Bible. In the first eerse of Genesis it says, "In the big in-ning..."...

It is a kind of spiritual snobbery that makes people think they can be happy without money.
