REINSTATED MEMBER... By Board action, a long time former member of our Club was reinstated into active membership. BAILEY R. CHANEY joined our club in 1965 shortly following the chartering of the club in 1964. At that time he was the Labor Relations Officer at the NASA/Manned Spacecraft Center. Several years ago he found it necessary to withdraw his membership because of traveling duties. ATTENDANCE - LAST HALF OF 1983...The Space Center Rotary Club attendance for the period of July 1 through December 31, 1983 was 81%.

A special Tribute goes to the members in the Space Center Rotary Club's "100% Club." The Club's records for the past six months reflect the following 36 members with 100% attendance:

It is interesting to note that if those members (14) who missed one meeting, those (6) who missed two meetings and those (81) who missed three or more meetings had attended one, two and three additional meetings, respectively, the Club Attendance would have been 94%, which is 2% above the desired goal of 92%. DON ROBISON, ATTENDANCE COMMITTEE

IN SYMPATHY - MRS. PATRICIA FOWLER, mother of our member, Paul Davis, passed away at her home in Fredericksburg, Texas on January 28th following a heart attack at the age of 61. Our membership joins together in extending deep sympathy to PAUL and other members of his family. Your Editor was also informed that JIM McDONALD'S Mother passed away recently and that our member, WAYNE YOUNG, was admitted to Clear Lake Hospital with chest pains last week. Our sympathies to all.

RESIGNATIONS - With a great deal of regret, our Board of Directors accepted the resignations of DR. BILL POWELL and BOB GRAHAM at the February 7th Board Meeting. The reasons given by both these fine members was because of pressing business and their being unable to make meetings and be active in their respective committee assignments. BILL had been a member of our club since July, 1967, BOB since June, 1982. We will sorely miss both these fine gentlemen. We do hope that they will make periodic visits with us which in turn could lead to reinstatement down the road. We wish them both our kindest regards and best wishes. GL
