OUR ANNUAL CLUB ASSEMBLY DAY held Monday noon, August 6th, was a real success. OUR DISTRICT GOVERNOR, JOE HOLLINGSWORTH, was our guest of honor both for the morning meetings and our speaker at the luncheon. GOV. JOE was introduced by PDG FLOYD BOZE with opening remarks as follows...."Our District has had some good governors in the past", and then hesitated just long enough to bring forth laughter from a full house of members and visitors. Fortunately GUV. BOZE, as he's fondly referred to, recovered from a near speech disaster and carried on with a most complimentary introduction GOV. JOE ever had since becoming Dist. Governor. GOV. JOE then spoke on many of the fine programs our club continues to promote year after year and what ROTARY MEANS THROUGHOUT THE WORLD. He said our district now has over 4,000 members and for his goal he wishes to see a 10% increase in membership during his Rotary year of leadership. Other goals he wants to reach is a 25% increase in our giving to Rotary International and commending our Space Center club for the fine strides made in this regard. He is desirous in seeing Rotary give more help to Senior Citizens in need and helping all of mankind through Rotary Fellowship. It was truly a pleasure in having Gov. JOE with us as well as his lovely wife, BILLIE, gracing our front table. They promised to attend our annual Shrimpoeree/Auction come Sept. 8th. THAT will be an excellent chance to personally make your acquaintance with JOE and BILLIE.

Isn't it amazing how a sluggish economy can effect a vacation? We had half-price air fares, discount hotel rates, money-coupons for meals-and it only cost us twice as much as it did last year!
