"Johnnie," said the teacher, "I notice that your examination paper is exactly the same as Tommie's. Even the misspelled words are the same. How can you explain that?"
..."Well", said Johnnie, "guess it was because I used his pencil!" (Selah)

Living on the Minnesota-Iowa border, the farmer was frustrated in not knowing which state he should pay his property taxes. He called surveyors to find out exactly where he lived. The surveyors came to his door following their survey and told the farmer that he lived in Iowa. "Thank goodness," said the farmer, "no more of those rotten Minnesota winters!!" (Selah)

The reason worry kills more people than work does is that more people worry than work.

Most jobs are like a dog sled team. The only one who gets a change of scenery is the lead dog.

A couple of amateur hunters paid a high price for a bird dog and took him out for a field test. After an hour, one said in disgust, "This dog is no good. We might as well put him to sleep."

"Let's throw him in the air one more time," said the other. "If he doesn't fly this time, we'll shoot him."

Education makes life much easier. For instance, if you hadn't learned to sign your name, you'd have to pay cash for everything.

DON'T QUIT—FIGHT ONE MORE ROUND

When things go wrong, as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high
And you want to smile, but you have to sigh,
When care is pressing you down a bit,
Rest! if you must—but never quit.

Life is queer, with its twists and turns,
As every one of us sometimes learns,
And many a failure turns about
When he might have won if he'd stuck it out;
Stick to your task, though the pace seems slow—
You may succeed with one more blow.

Success is failure turned inside out—
The silver tint of the clouds of doubt—
And you never can tell how close you are,
It may be near when it seems afar;
So stick to the fight when you're hardest hit—
It's when things seem worst that YOU MUSTN'T QUIT.

INVITATION TO WIVES OF OUR CLUB MEMBERS:.....On

December 10th, JUNE ROSENHAGEN will entertain our wives at her lovely home between the hours of 10 AM and 1 P.M. Address: 902 Forest Lake Drive, Seabrook. Phone JUNE at 474-2190 and tell her you will be there to share such a nice Holiday Coffee Break.

HOW NICE!.....On October 10, 1984, MARY ANN FITCH, Rotary Ann of JIM FITCH, gave birth to a 6 lb 12 Oz baby BOY at Clear Lake Hospital. To be exact, the little one was born at 11:10 P.M. and measured 19 inches in length. Can't you just imagine MAURY FITCH riding around high on cloud 9 knowing he finally has a grandson to carry on his name after the birth of 5 GRAND-DAUGHTERS preceding this new arrival named JAMES HOLLIS FITCH, JR.? Our congratulations to MARY ANN and JIM and a happy future to little JIM JR.!

"I'm sorry I opened your letter, Leroy. I thought it was mine and steamed it open by mistake."
