**MEETING OF APRIL 22:** Nancy Preston described the new Houston Convention Center now under construction. This exciting project will be a state of the art center that the area will be proud of. Billy Burt (photo) handled the introduction.

**MEETING OF APRIL 29:** Steve Sandstedt described the Clear Lake Economic Development Foundation, of which he is the Executive Director. The money for this activity is put on the line by private sources only. He was certainly on target when he said that although we are part of the overall Houston community, we have a unique community and a unique lifestyle of our own. The people of the area are its key asset. Greg Nassar, acting for the Scholarship Committee, presented \$1000 checks to CLHS students Diane Bieber, who will attend Rice, and Warner Marsh, who will attend Trinity University (See photo).
