DATE JUNE 17, 1985

PROGRAMS

*Don Kirk, Chairman

- JUNE 17 Bobbye Landtroop, Children's Shelter for the Bay Area (for abused children).
- JUNE 24 Installation of Officers and Directors (See page 2 for names and office)
- JULY 1 Richard D. Stewart, Plant Manager, DuPont "Hazardous Materials in Texas"
- JULY 8 Anthony Hall, Houston City Councilman

MEETING OF JUNE 3: Matt Feahery, Program Director of the Palmer Drug Abuse Program, told us that although they cannot do much about reducing supply, they are decreasing demand by their work. For new drug users, curiosity is the biggest factor, plus someone who is a friend that offers the invitation to use. Counseling and special activities are provided by PDAP for those who do not need to be removed from their surroundings. There is no cost. He noted that "drugs seek affluence, hence the Clear Lake area needs to pay special attention to the problem".

MEETING OF JUNE 10: Nils Bengtsson, a dynamic, dedicated Rotarian from Sweden, who has made lasting friendships around the world through Rotary, gave us a warm description of his tours and accompanied his tale with slides.

COMMENTARY

WASN'T THAT NICE of our Rev. Bill Rittenhouse to invite the Space Center Rotary Club to hold its meeting today at the Nassau Bay Baptist Church in the Church's Gymnasium. I wish I were there enjoying it with you instead of lying on my back today undergoing cataract surgery. So tell me about it. BUT don't forget that the June 24 meeting, at which we will install officers and directors, will be at the Holiday Inn. ++++ ++++++BELIEVE IT OR NOT: The purpose of this publication is communication to AND BETWEEN members. We hope you won't be bashful about telling us the good things that are happening to you, so that we can tell your club friends.+++++To the extent that this publication does not get read, regardless of the effort spent in producing it, it does not achieve its purpose. Since our meetings are packed pretty tight on time, if you don't get a chance to read it at the meeting, take it home with you. -----But "DON'T LEAVE (THE MEETING) WITHOUT IT!"

Your Editor, Tom Wier

At the Rotary International Convention in Kansas City in late May, Space Center Rotary was given prominent recognition during the opening ceremonies for the Space Shuttle Payload Student Program done in connection with Clear Creek and Clear Lake High Schools. Our club was one of only 10-15 clubs (out of the 20,000 clubs worldwide) that was so recognized. WAY TO GO, TEAM!

NEW OFFICERS AND DIRECTORS 05/80

 JACK EGGLESTON 6/26
 LOGAN HAYCRAFT 6/26
 BILL HILL 6/28
 PAUL BEAL 6/28
 MAURY FITCH 6/29
 ALTON AINSLIE 6/30

PERSONAL

Cap Landolt, our basso profundo, a cappella song leader, is always coming up with something unusual. This time he has a scroll 4'x20' that dates his family tree back to the year 1414. Yes, 571 years. And his own lifetime covers nearly one-seventh of that time! Nearly 100 of the relatives held a reunion at the Landolt Pavilion recently. (Cap wasn't the oldest) Robert G. Minor was recently named president of Rockwell Shuttle Operations, the new subsidiary of Rockwell International Corporation. CONGRATS Bob!*****Terry Stock and Charles Post will be leaders in a Cash Management Seminar at Bay Area Bank and Trust on June 20. Paul Beal has just been promoted into the downtown Houston Boy Scout office and he pines that he will have to be leaving us. Ach. And besides he was just lined up to do some work for the Blastoff! ***** Our Raymond Khoury spoke to the group of Rotary wives on June 11 at their luncheon at Chi-Chi's. They had a good crowd and an enjoyable time.** Don Kirk says that the piece below from the Rotarian Magazine "got to him" and he hopes other club members will join in sending postcards to this young fellow.

NOTE THIS

SHRIMPOREE DATE--SEPTEMBER 21

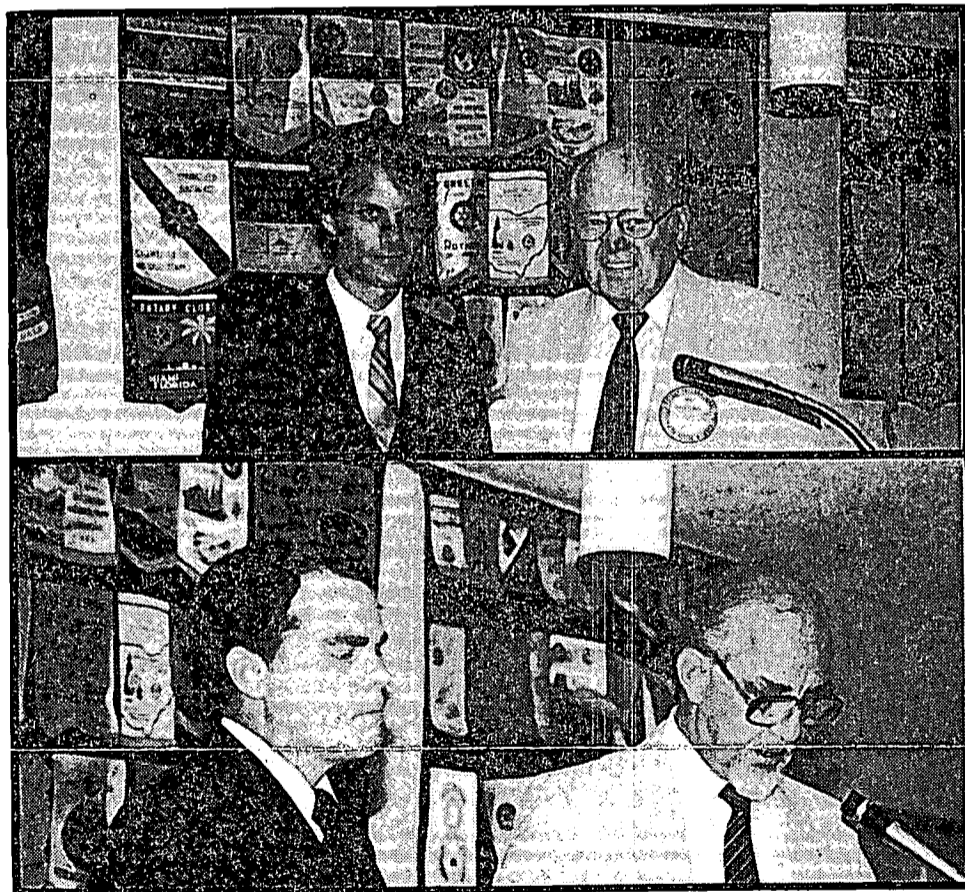

BUT

RAIN DATE-----OCTOBER 26

WOW

(DON'T EVEN THINK ABOUT RAIN)

PHOTO FEATURE: Rotary International Scholar, Andrew Kaufman, from our area, was introduced at the June 10 meeting by Hal Neely. Andrew's scholarship took him to the University of Nottingham, England. He lives in Nassau Bay, went to Texas A&M, and was a Clear Creek High School graduate.

NEW MEMBERS

*by Gene Lindquist

John McCarron, sponsored by Charles Hartman, was inducted into the club on June 10 in the classification "Marine Electronics-Retail". John was born in Bayonne, N.J., earned a BS in Industrial Communication from Emerson College in Boston MA, and is now the president of Supermarine Inc., located at 651 E. FM 270 (Egret Bay Blvd.), League City 77573, phone 554-5535. John and his wife Ursula have two children-Gayle, 15, and John Jr, 12. But they have not chosen their permanent home address here yet. This past year John was vice president of the Rotary Club of New Rochelle NY, where he had been a member since 1977.

Rotarian Richard J. LeJava, of Hyanis, Massachusetts, U.S.A., sends us this touching plea:

"A child named 'Little Buddy' is dying of leukemia. His goal for the remainder of his life is to become listed in the Guinness Book of World Records. He would hope to accomplish this honor by receiving the greatest number of postcards ever. His address is:

Little Buddy
 P.O. Box 76
 Paisley, Renfrewshire
 Scotland, United Kingdom

Can we help this child reach his goal? I will be proud to know that Rotarians around the world, through
