Shrimporee Happenings

THIS IS YOUR LAST CHANCE!!!

If you haven't yet made those calls and solicited a nice, big, expensive article for the Shrimporee Auction, you have waited until the last moment to help your Rotary Club with its most important financial undertaking of the year. But it's no too late if you will make some time TODAY and just do it!!

You may have noticed all the worthy individuals, causes and local organizations that have received a check from our club this year. As you have watched, you have noticed how grateful these people have been to receive our help. You have probably felt a surge of pride when the club gets its big "Thank You's" from those we help. Well....most of that money comes from the Shrimporee Auction.

You may have served on one of the committees that has the tough decision as to which cause gets how much money. You may have anguished over the requests that had to be denied or only partially funded. Well if we could just raise more money in the Shrimporee Auction, we could be of even greater positive impact in the community.

When asking for a gift, first make sure you are talking to someone who can authorize a contribution. Next, let them know that you are a volunteer and that you support Rotary with your wealth and work. Tell them about your favorite of the projects that have been supported by Rotary. Try to call on someone you know well. Someone who has successfully asked you to support a cause, a company where you frequently make purchases. Make sure you don't neglect to ask all the prospects given you by Don Kirk and his committee. If you don't ask, you are deciding for them that they aren't going to be a part of the Shrimporee Auction.

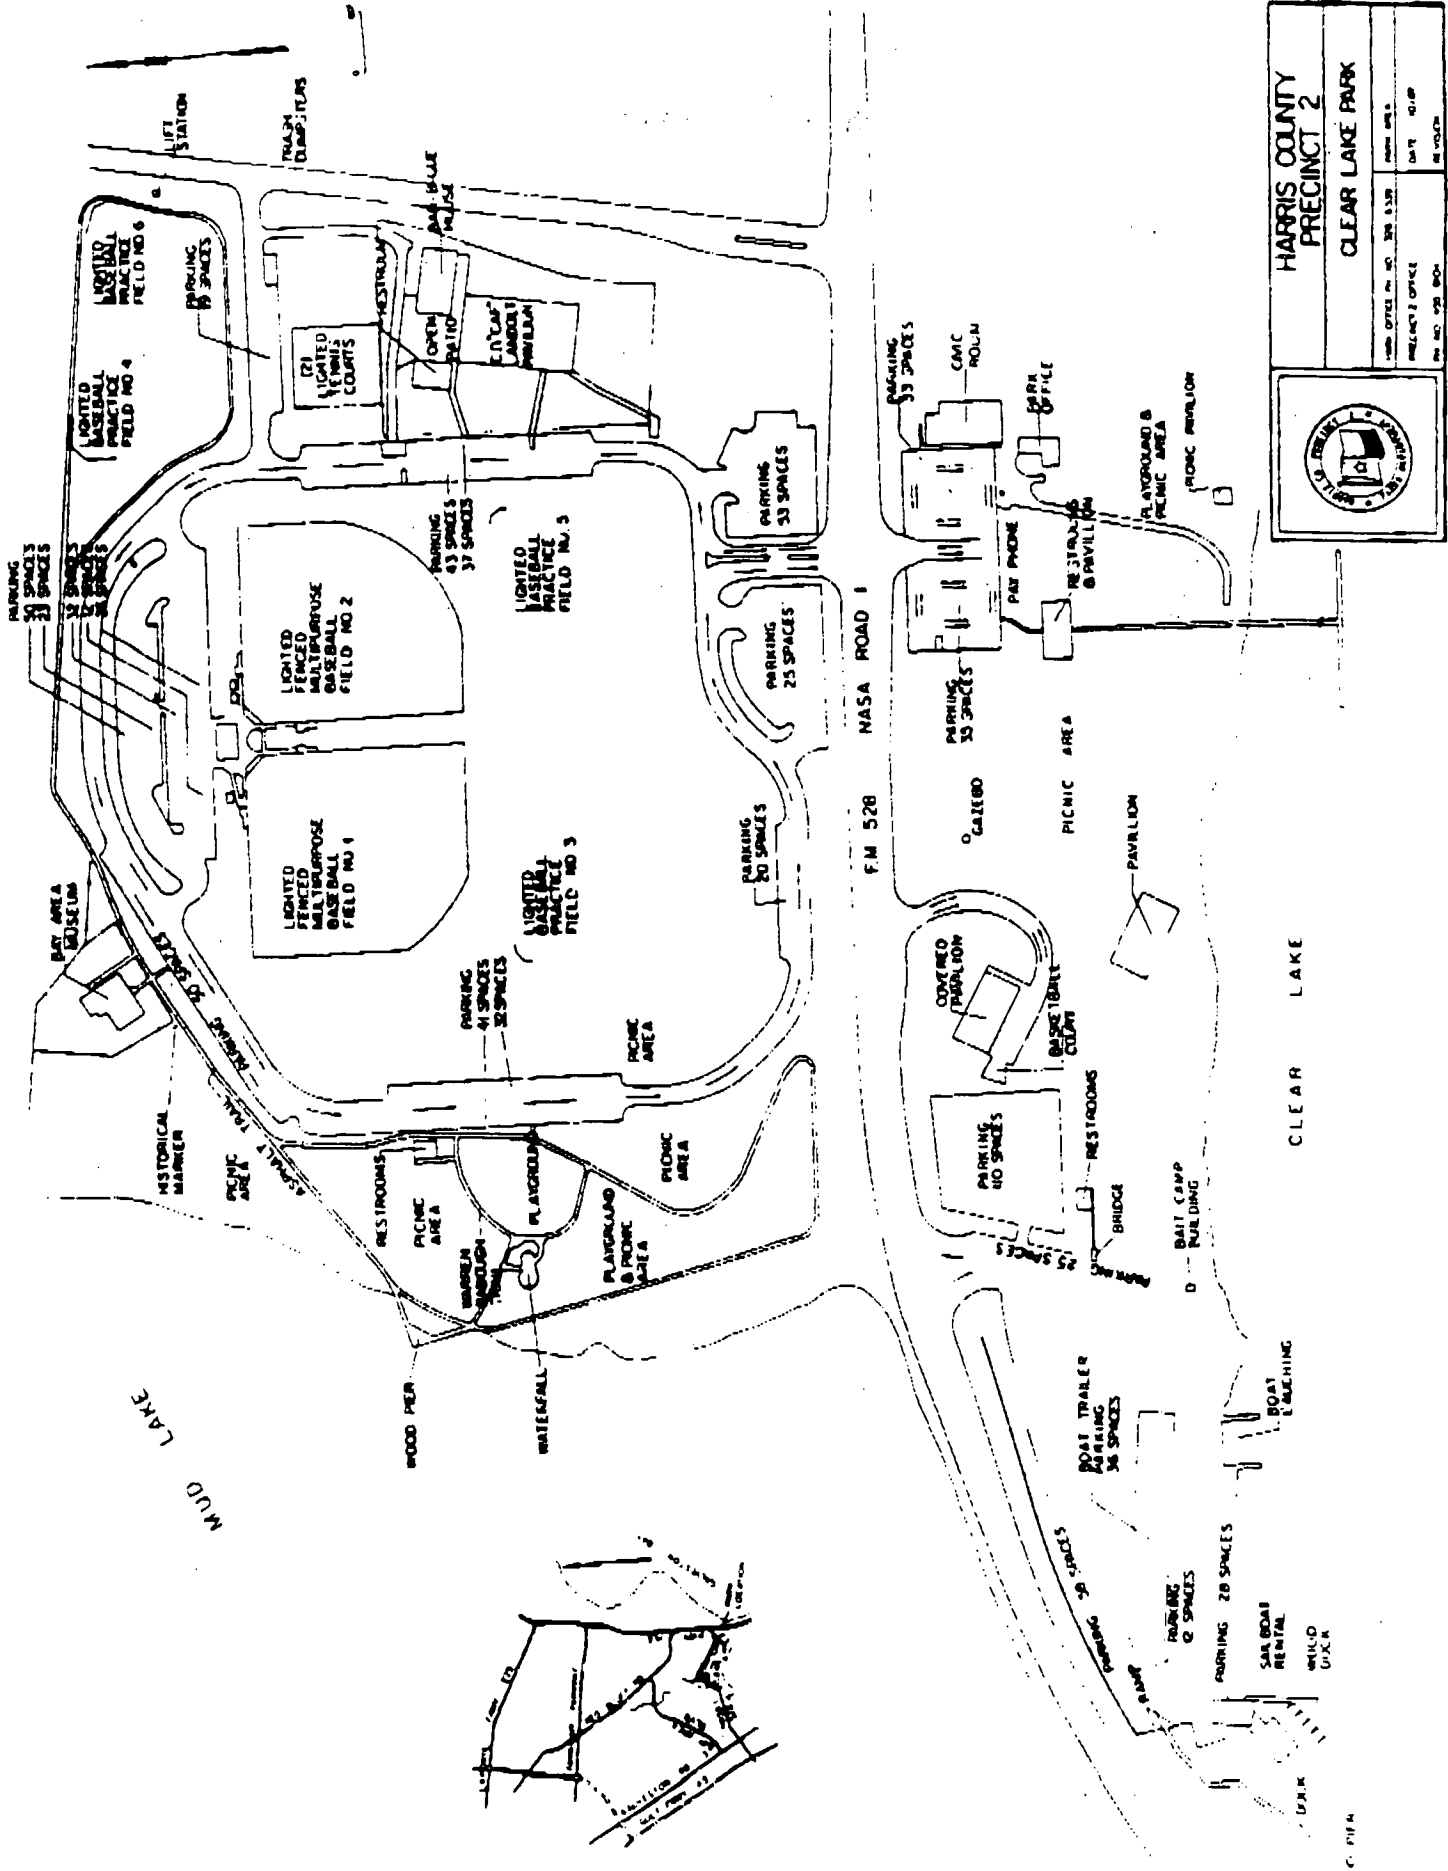

If the person or business you are asking would rather make a cash contribution—that's great. If they would like to purchase an auction item (to donate), get suggestions from the Auction Committee. Assure them that they are supporting a great cause and that they will be recognized at the Shrimporee and in the newspaper.

Ask them to join you in supporting the 1991 Rotary Shrimporee! Do it today.

-Steve Bolton
