CAN'T YOU HEAR THE LADY SCREAMING?

Sandy Sausley is the director for the service area that includes the Bulletin. So she is searching for a replacement for the editor. We know there are members that can do it. But maybe we have made it seem too hard. Actually, when the information is readily available, the editor can knock it out in a few hours. The problem, that is the time consuming part, has been the need to chase the information.

The logical place for the information on our club's activities to start is with the committee chairmen or the director who has the responsibility for that sphere of activity. There are also decisions and plans that are made by the board which need to be communicated to the members, logically by either the president or the secretary.

In any event, if we seriously want good communication in our club, some firm policy decisions need to be made by the board and put in place. We now have an opportunity to do things better and easier.

That's Sandy you hear screaming for help. Throw her a line!

SONG FOR TODAY

Jerry Bourgeois
 Song Leader

SMILE--SING A SONG

Smile -- and the world smiles with
 you,
 Sing a song.
 Don't be weary,
 Just be cheery
 All day long.

Whenever your trials, your troubles
 and your cares
 Seem to be more than you can
 really bear,
 SMILE-- and the world smiles
 with you,
 Sing a song.

BOURGEOIS' WISE WORDS:

Jerry sometimes teases us in rhyme, sometimes
 throws a bouquet. But it is all in a spirit of
 goodwill. Bear with him.

DONNIE

Donnie's starting her President's
 year!
 We welcome and wish her good
 cheer
 Each Monday at noon
 From July to June,
 She'll be blazing a brand new
 frontier!
