BOURGEOIS' WISE WORDS:

Jerry sometimes tease us in rhyme, sometimes throw a bouquet. But it is all in a spirit of goodwill.

ODE TO RON BLIFIE

In our eyes he's always stood tall
when needed, he would answer the call.
His name is Ron Blifie.
He's thought of quite highly
In Rotary, where he's done it all.

SONG FOR TODAY

Jerry Bourgeois, Song Leader

OVER THE RAINBOW

Somewhere over the rainbow, way up high. There's a land that I heard of, once in a lullaby.
Somewhere over the rainbow, skies are blue, and the dreams that you dare to, dream, really do
come true.
Someday I'll wish upon a star, and wake up where the clouds are far, behind me.
Where troubles melt like lemon drops, away above the chimney tops.
That's where you'll find me, somewhere over the rainbow, blue birds fly.
Birds fly over the rainbow, why then, oh why, can't I?

Interact and Rotary: A Winning Combination

The Interact committee is dedicated to supporting leadership development among our local high school students. The committee provides guidance to established high school clubs (over seven years of continual service) at Clear Lake and Clear View High Schools. The clubs are structured similarly to Rotary clubs. Each club has a school sponsor who works with the Interact committee and the student club. Each interact club elects officers and a board. Projects are developed and approved by the officers and board. A committee chairperson is assigned and given responsibility for the project. The chairperson develops and implements a project schedule with the assistance of the school sponsor and Rotarian Interact committee. The sponsor and the Interact committee attend and support all meetings and projects of each club. The school sponsor ensures the club's service activities follow school policy and is the single point of contact for all school related issues. Through the success or failure of the club's projects the students develop communication, leadership, and teamwork skills. It is the responsibility of the sponsoring Rotary club to provide opportunities and facilitate the development of participating young adults. The Interact clubs are service clubs that reflect their sponsoring Rotary club. Our local interact clubs have supported many of Space Center Rotary's activities including Shrimporee, Pancake breakfasts, and Spaghetti dinners. They have also raised and contributed \$2000 over past three years to local charities through their own projects. These projects have included Battle of the Bands, Miss Daisy Day, Habitat for Humanity, Candy Drive, Car washes and many others. The students that pass through the Interact doorway gain confidence in themselves and the capabilities that they develop during their relationship with Rotary. Many later become Rotarians. All move on with the realization that "Service above Self" is rewarding. If you would like to be apart of the leadership development or our future leaders please contact Claire Taylor, 480-7615 or Tim Kropp, 538-1939.
