SONG FOR TODAY

Jerry Bourgeois, Song Leader

AMERICA THE BEAUTIFUL

O beautiful for spacious skies,
 For amber waves of grain,
 For purple mountain majesties
 Above the fruited plain,
 America, America,
 God shed his grace on thee,
 And crown thy good, with brotherhood,
 From sea to shining sea.

Space Center Rotary Golf Committee News

ATTENTION FAITHFUL MEMBERS AND ATTENDANCE LEADERS

The next Space center Rotary Club Golf Outing will be held on Thursday, September 18 at the fairly new Evergreen Point Golf Club in Baytown. We have reserved a minimum of four (4) tee times with those times starting at 12:30 P.M. This outing had to be re-scheduled due to a conflict in dates at the golf course.

The big news is that this outing will allow all FAITHFUL and/or long time Space Center Rotarians to have a big advantage. Our own renowned Floyd Boze has dedicated two (2) of the beautiful trophies he won at different Rotary International Golf Tournaments to be used as prizes in two (2) different categories. The first category will have your handicap determined by the number of years of perfect attendance in Rotary you have. The second category will have your handicap determined by the number of years you have been a member of the Space Center Rotary Club.

In other words for the first category, people like Floyd will have a handicap of 30 or 40 or 50 or who knows what, while people like me will have a handicap of 0. For the second category, people like Vince Liposky will definitely have an advantage over anyone who has just joined the club. The only good news is that Floyd stipulated that someone can win each category only once. Therefore when we have this yearly ATTENDANCE REWARDING golf outing in future years, other "old timers" will have a new opportunity to get to keep one of these trophies for a year.

Handouts are available further detailing the outing or you can contact a member of the Golf Committee. The golf course is not far from here but it may be that people not familiar with its location may want to follow someone or car-pool. Please ask Bill Lowes, Jim Saxe, Bill Predmore, or others who have played the course for directions.
