Club Service A

Annual Space Center Club Championship

The next Space Center Rotary Club Golf Outing will be held on Thursday, November 20th at the Bay Forest Golf Club in LaPorte. We have reserved tee times starting at approximately 12:00 pm.

The big news is this outing is our annual Club Championship. In addition to the usual prizes for low net, long drive, and closest to the pin, the winners of low net and low gross get their names engraved in the club's beautiful trophy. Each winner gets to keep the trophy for the next six (6) months to display at their house or business.

We hope anyone in the club that plays golf will take this opportunity to partake in this fellowship event and perhaps be rewarded with getting their name on our beautiful trophy.

Hand outs are available for further details on the outing or you can contact a member of the Golf Committee. Please call Bill Predmore at (281) 488-8812 for any additional details.
