MOON RIVER

Moon river, wider than a mile, I'm crossin' you in style someday
Old dream-maker, you heart breaker, wherever you're goin', I'm goin' your
way

Two drifters, off to see the world, there's such a lot of world to see
We're after the same rainbow's end, waitin' round the bend
My huckleberry friend, Moon river and me.

1998 SPACE CENTER ROTARY SPACE AWARD

If you have not heard the 1998 winner of the Space Center Rotary Space Award is the past President of the United States of America George W. Bush. The President has accepted and will be at the award ceremony.

This means that there will definitely be a sell out crowd at this year's awards ceremony! Surely everyone in our club will want to have dinner with the President, and possibly the current Vice President of the United States of America (since he heads up the US space program), and the Governor of Texas (since he will probably want to see his Dad get the award) all for only \$75 per person (a Space Center Rotary member special price). To reserve your tickets you need to quickly contact Ron Blillie at 281-280-8911.
