SONG FOR TODAY

Jerry Bourgeois, Song Leader

Mame

You coax the blues right out of the horn, Mame
You charm the husk right off of the corn, Mame
You've got the banjos strummin and plunkin out a tune to beat the band
The whole plantation's hummin since you brought Dixie back to Dixie land
You make the cotton easy to pick, Mame
You give my old mint julep a kick, Mame
You make the old magnolia tree blossom at the mention of your name,
You've made us feel alive again, You've given us the drive again,
To make the South revive again, Mame;

David Franz is very ill. It would very nice if members of the club would send him a card. His address is as follows:

Space Center Rotary Exchange Student

The Space Center Rotary Student Exchange committee needs families to host students. I personally have done this and found it to be really a lot of fun and a great way to perform your "Service above Self". The students were polite and a good influence on my own kids. If you have the room in your house and are interested in a fun and new experience, please contact Marsha Galvan, Alan Wylie or Sandy Harris.

VIC'S VIBES by Vic Maria

Exerpts from the classified:
"Tired of Cleaning Yourself? Let me do it for you."
"Vacation special: Have your house exterminated. Get rid of aunts."
"Toaster: A gift that every member of the family appreciates.
Automatically burns your toast."
"For rent: Six-room hated apartment."
"We will oil your sewing machine & adjust tension in your home - \$1"

1998 SPACE CENTER ROTARY SPACE AWARD

If you have not heard the 1998 winner of the Space Center Rotary Space Award is the past President of the United States of America George W. Bush. The President has accepted and will be at the award ceremony.

This means that there will definitely be a sell out crowd at this year's awards ceremony! Surely everyone in our club will want to have dinner with the President, and possibly the current Vice President of the United States of America (since he heads up the US space program), and the Governor of Texas (since he will probably want to see his Dad get the award) all for only \$75 per person (a Space Center Rotary member special price). To reserve your tickets you need to quickly contact Ron Blillie at 281-280-8911.
