OVER THE RAINBOW

Somewhere over the rainbow, way up high. There's a land that I heard
of, once in a lullaby.
Somewhere over the rainbow, skies are blue, and the dreams that you
dare to, dream, really do come true.
Someday I'll wish upon a star, and wake up where the clouds are far,
behind me.
Where troubles melt like lemon drops, away above the chimney tops.
That's where you'll find me, somewhere over the rainbow, blue birds fly.
Birds fly over the rainbow, why then, oh why, can't I?

Future Programs Announcement!

VIC'S VIBE by Vic Maria

A group of 5 to 8 year olds at an elementary school in Pennsylvania were asked to answer the
following questions on Love & Marriage:

Is it better to be single or married?

(Lynette 9) It is better for girls to be single but not for boys, Boys need someone to clean up
after them.
(Kenny 7) It gives me a headache to think about that stuff, I'm just a kid. I don't need that
kind of trouble.
