Bicycle Built for Two

Daisy, Daisy, give me your answer, do
I'm half crazy, all for the love of you
It won't be a stylish marriage, I can't afford a carriage
But you'll look sweet upon the seat of a bicycle built for two.

Space Center Rotary Golf Committee

The next Space Center Rotary Club golf outing is tentatively set for this Thursday, June 18th.

VIC'S VIBE by Vic Maria

A group of 5 to 9 year olds at an elementary school in Pennsylvania were asked to answer:

On the Role of Good Looks In Love

(Jeanne 8) If you want to be loved by somebody who isn't already in your family, it doesn't hurt to be beautiful.

(Gary 7) It isn't just always how you look. Look at me. I'm handsome like anything and I haven't got anybody to marry me yet.

(Christine 9) Beauty is skin deep. But how rich you are can last a long time.

Rotary Foreign Exchange - Outbound Orientation Camp by Alan Wylie

Last week (June 1-6) we had our week long orientation camp in Livingston, Texas for 37 long term American outbound students, from 6 districts in Texas and one district in Oklahoma and one district in Mississippi ... The students bonded closely together, learned much about Rotary, and learned a lot in preparation for their year abroad. The camp theme was: "IF IT IS TO BE, IT'S UP TO ME!" ...

They were educated on the features of Rotary and of the Rotary Youth Exchange Program. Then they were asked numerous questions, to make them think about common sense solutions to problems that will occur during the year....

The Rotexes - former exchange students who went to Belgium, Germany, France, Japan, Argentina, and Brazil - were the key to the camp. ...

The last night of camp, the Rotex and outbound students sat in a circle, by themselves, and discussed what they would miss during their year abroad. Quickly, this became an emotional moment. The students held hands with one another and helped themselves through this introduction to homesickness. The students and Rotexes had already bonded themselves to one another, but this moment cemented the relationship. Friends forever. ...

Thank you to the Ft. Worth district and GTE for printing the camp manuals, to the Austin district for purchasing very nice badges for the students, to the Dallas district for nice directories (including not only addresses and telephone numbers but also pictures for each of the students), and to Glen Mattingly for providing the culturegrams and gifts for the Rotexes ...

A couple of nights ago, I talked to a Rotary Youth Exchange Officer from Oregon. His district alone hosts 40 inbound students and sends 40 outbound students for the long term exchange program. If we work together, we can make this program available to many other students in our areas.
