Program

ROTARY FAMILY VOLUNTEER DAY IN THE PARK

Paul Hanagriff Center Point Energy

*Electric Reliability
From A Utility Perspective*

Paul Hanagriff is a native Houstonian of 52 years. He has been employed by CenterPoint Energy for 32 years.

He was the CenterPoint Energy's Speakers Bureau "Rookie Of The Year" in 1998 and also "Speaker Of The Year" in 2001.

Paul is a Certified Utility Safety Administrator and his current position is Safety Representative.

He has an Associate Of Applied Science Degree from Lee College in Baytown, TX.

He is a member of the American Society of Safety Engineers.

Paul has been married for 31 years, with one married daughter and most recently, a granddaughter!

His hobbies include 4 Wheeling, Amateur Astronomy and Weather Observations.

Sunday, October 17, 2004, Noon to 5pm, Hermann Park. Rotarians and their families are invited to Hermann Park to work at the continued enhancement of certain areas of the park. This project was begun eight months ago with the dedication of the Rotary Centennial Project of Combined Clubs of District 5890 to plant trees, add picnic tables, new lighting and new trash receptacles within the picnic grove at the southwest corner of Hermann Park near the light rail station at Rice University.

Both the Fannin Pavilion and the Lowe Pavilion have been reserved as central meeting places as well as for refreshment and break area. Special Centennial baseball caps are being ordered for those clubs desiring them for this District-wide event. For more information contact Bob Sides (713-523-8346- orders must be made by September 25th!

CHILDREN OF NICARAGUA

The choir will be performing at the Cynthia Mitchell Woods Pavilion (full concert and dance), on Friday, October 29, 2004 at 8:00 p.m. It's a family event, so bring kids and family. Tickets are \$20.00 in the covered seats and \$10 on the hill; no food or drinks allowed inside. Call Charlie Buscemi for tickets: 281.359.7193.

FRIENDSWOOD CLASSIC

I wanted to remind everyone that the second annual Texas Roadhouse "Friendswood Classic" will take place on Tuesday, Oct.5th at Timber Creek Golf Club. Last year, we were able to raise \$5,000 for Space Center's own Foundation and Endowment funds. Our goal is a bit more aggressive this year with a minimum expectation of \$7,500 to give back to the club. I want to thank all of the players that participated in last year's tournament and the players signed up this year's tournament. By the way, there are still plenty of spots available for individuals and teams for the tournament. Hole sponsorships are only \$300 for companies who want to support the cause but do not want to play. Also, if anyone knows non-rotarians who like to "swing'em," let me know and I will give them the details and schedule of events for the day. Again, thanks for all of the support and we look forward to a great day on the links. Thanks!

Hit'em straight,
Tony

100 Years

Today's Song

God Bless America

God bless America,
Land that I love
Stand beside her and guide her,
Thru the night with a light from
Above.
From the mountains, to the prairies,
To the oceans white with foam
God bless America,
My home sweet home.
God bless America,
My home sweet home
