

Future Protocol

Selection committee assignments should rotate to avoid stagnation, quarrels, confusion or dynasties. This committee is a coveted job and needs some guiding principles. This is a proposed protocol using symbols for people to convey some suggested guidelines.

1991

IN JUNE OF '91 Z's go off interview panel

But, the two Z's agree or flip for the following two roles for '9 either

1. Moderator/intro
2. Greet / Dismiss / staying in the waiting area to orient

then the Z's are off entirely and must be off one year

ALSO IN JUN OF '91

Two new members are selected for the panel (Q)
 The selections are made by the four remaining panelists (X" + Y"),
 The two new members must commit to 3 years until JUN '94

Thus for 1992 (actually Jul '91 to Jun '92)
