

**2010 - 2011
ROTARY INTERNATIONAL
CLUB GOAL FORM FOR MEMBERSHIP**

In preparation for taking office, club presidents-elect should complete the *Planning Guide for Effective Rotary Clubs* and submit a copy of it to their assistant governor by 1 July. The *Planning Guide for Effective Rotary Clubs* is included in the *Club Presidents Manual* (222-EN), and can also be downloaded from www.rotary.org.

To highlight the importance of membership development, club presidents-elect should collaborate with all members of the club to set the membership growth goal for the upcoming year. Once the goal has been set, use this form to submit your club's membership increase goal to your district governor-elect. If you require assistance with the development of the club's goal, your governor-elect is charged with helping clubs set achievable goals for membership during the President-elect Training Seminar (PETS).

This form is due to your district governor-elect by 1 June. This information will be used by your district governor to report the district's overall membership growth goal to Rotary International for the upcoming Rotary year. Governors-elect will keep this information for their records, **please do not forward this form directly to Rotary International.**
