Program Knighting Ceremony*

*Celebrating This Month's
Virtue of "Responsibility"*

February 15, 2013

Our 2nd Knighting Ceremony of this school year

at

Whitcomb Elementary School

Responsibility: *One of the ways true knights were distinguished was by their accomplishments and deeds. They were known by their reliability, dependability, and the exercise of good judgment. It is to do the things that need to be done. It is still true that those who embrace this rule always earn the highest honors.*

Congratulations.....
