Dear Friends at the Rotary Club of Space Center,

Thank you for your generous donation of $1500.00 to Interfaith Caring Ministries on 03/17/2013. Your contribution enables ICM not only to continue its various programs, but further expand its current services and extend its reach. Currently, there are more than 25,000 working poor in both CCISD and FISD. Each month, ICM provides assistance to approximately 300 families who struggle daily to meet basic needs.
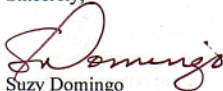

In 2012, ICM provided approximately 7,226 services to low-income families with the following:

- ❖ Emergency Rent and Utility Assistance (Homelessness Prevention)
- ❖ Fully Functioning Food Pantry
- ❖ School supplies
- ❖ Health Outreach
- ❖ Senior Outreach Services
- ❖ Christmas Store
- ❖ Childcare Scholarships for single-parents working to further their education
- ❖ Webster After-School Computer Lab for economically disadvantaged youth and adults in CCISD
- ❖ Vehicle Donations

In 1985, Interfaith Caring Ministries was founded by a group of citizens and local area churches concerned with the growing population of low-income families. Since then, ICM has worked diligently to "serve the community by providing assistance leading to a path of self-sufficiency" to families in need in the Greater Bay Area.

We realize there are many worthwhile charities in our community, and we are grateful that you have chosen to team up against poverty by supporting ICM. If you would like more information about ICM, please feel free to contact me or visit our website at www.icmtx.org.

Sincerely,

Suzy Domingo
Executive Director
