Jerrold,

The ice container will be delivered to the Shrimporee site on Oct. 19th by BILL'S ICE, phone number 713-926-6006, and will be picked up that evening or the following morning. The order is the same as last year. I am available for any questions. Vic Maria

Chair Berg has called a planning meeting of the 2012 Shrimporee for **TUESDAY SEP 25** at the JSC Federal Credit Union.

Please attend if you can since next Monday is Shrimporee at the Club meeting. Each chair should be prepared to give a brief but succinct talk on her or his area. It is very important that the live, silent and raffle committees be present so we know exactly where we are.

There are only 2 club and 3 planning meetings before the Shrimporee.
